

# Keep your distance

Take care of each other

## Help us avoid crowds

**We want everyone visiting us  
to feel safe!**

- Lots of people in reception right now?  
Wait outside for a while..
- Are you early for your booked  
appointment? Wait until it's nearly time.
- Do you have someone with you?  
Ask them to wait outside if possible..

**We welcome you to our clinic!**
